

Blind Children's Learning Center

Destination → Independence

www.blindkids.org

**Our destination is
independence.**

Our mission:

To prepare children with visual impairments for a life of independence through early intervention, education, and family support.

For more than 50 years, children who are blind, deaf-blind, and visually impaired have received specialized training to maximize their full potential and meet meaningful goals and objectives. Parents receive support and encouragement during each and every step of their child's journey toward independence.

To arrange a visit or for more information please call (714) 573-8888
